**ABOUT THE FOREST:** The Medicine Bow and Routt National Forests encompass nearly 3 million acres in Eastern Wyoming and north central Colorado. Of that area, the Laramie Ranger District covers about 300,000 acres of mixed terrain. Elevations on the district range from about 8,000 feet to over 11,000 feet. Recreation on the Forest includes motorized and non-motorized opportunities; hiking, bicycle riding, horseback riding, Wilderness, camping, and OHV riding. The trail system is primarily non-motorized; however there are multiple opportunities on old road beds to ride ATVs. Other use seasons include snowmobile riding and skiing in the winter (which stretches out into the spring), and hunting in the fall. Wildlife viewing and driving for pleasure are also popular activities.

Vegetation varies from grassy meadows to aspen and mixed conifer forests. The Laramie Ranger District is home to the Snowy Range Scenic Byway. Resource programs include wildlife, hydrology, recreation, wilderness, timber, fire and fuels, range, and interpretation. More information on the forests and the Laramie Ranger District is on our website at: <http://www.fs.usda.gov/main/mbr/home>

**ABOUT THE COMMUNITY:** Laramie is the third largest community in Wyoming, home to the University of Wyoming, the Laramie County Community College, and WYOTEC technical institute. The average age in the area is younger than most of Wyoming; median age is 33. The National Forest is the viewpoint on the east and west sides of the Laramie River Valley. Cheyenne, WY is 45 minutes east of Laramie, Ft. Collins, CO is 1 hour to the south.

**HOW TO APPLY:** Interested parties may apply online through [www.avuedigitalservices.com](http://www.avuedigitalservices.com) by 03/18/12 using the applicable job announcement #(s) listed above. Applicants must be sure to choose Laramie, WY as a preferred location in Avue. Qualified applicants will be referred to the hiring contact.
